Print and Mail Services

PUBLIQTM Software's state-of-the-art printing center is a complete solution with extensive printing options provided with greater flexibility. Our cutting-edge printers and mail-processing equipment allow us to run an efficient, high-quality operation, so you can focus on what matters most – serving your customers.

RELIABLE PRINTING

Our industry-leading equipment provides flexibility and quality for your printing needs. Save time and aggravation by letting PUBLIQ verify your data, mail your notices, and handle changes in postal regulations.

- Allow PUBLIQ to print utility bills, vehicle and property taxes, and appraisal and assessment notices
- Customize the format of your bill or notice, all in full color
- Provide detailed information through customizable graphs or pie charts for usage history and distribution of taxes

DECREASE COSTS AND SAVE TIME

PUBLIQ's print and mail services can free your time and save your budget.

- Remove the stress of searching for multiple vendors to fulfill your printing needs
- Eliminate time spent taking notices and bills to the post office

ENHANCE CUSTOMER SERVICE

No more fighting with printers or the frustration that often comes afterwards.

- Enable staff to focus on serving customers
- Conveniently provide high-quality printed materials
