

Manage Your County's Property Taxes with Flexibility

Streamlined Property Tax Management

Our Auditor application gives you flexible tools to manage and calculate real and personal taxes. Handle multiple types of vehicles and properties, conveniently process annual personal property returns, track abatements, and more.

Best customer service of any company I've ever worked with. They're on top of everything.

Auditor
Spartanburg County, SC

Simplify Tax Management

Maintain multiple types of property, including boats, motors, manufacturers, merchants, utilities, and railroads. Handle manufacturers reimbursements, fee-in-lieu of taxes (FILOT), and homestead applications. Accurately track abatements, returns, and more with state-required reports.

Handle Adjustments with Ease

Comprehensive information management helps you save time when tracking and adjusting taxes. Quickly adjust for abatements, new charges, corrections, and refunds, and confidently process assessment changes awaiting approval.

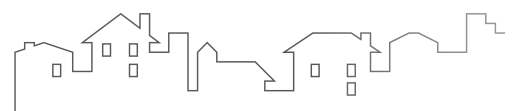

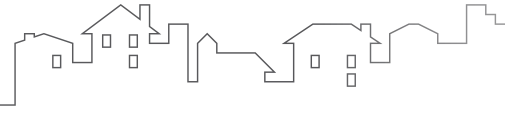

Efficiently Manage Vehicle Taxes

Built-in tools make it easier to calculate and change vehicle taxes. Effectively track and create appropriate tax for out-of-state vehicles, assess and calculate high-mileage discounts using our vehicle value guide, and eliminate errors when generating tax notices using our electronic First Time Issue process.

Interfaces & Integration

Seamless Software Integration

Integrate with other PUBLIQ applications for complete property tax management and data sharing. Bundle with:

- **Assessor** to import assessment data and calculate gross taxes and fees before subtracting exemptions.
- **Treasurer/Tax Collector** to handle all aspects of daily tax processing, from payments to refunds and unpaid notices.

Services

Imaging Documentation

Scan, import, and securely store images of documents without compromising customer privacy. Attach images to customer accounts, third parties, meter records, and owner records to easily access information.

IT and Hardware Maintenance

When disaster strikes, we keep your devices running to ensure your business workflow is uninterrupted. We offer flexible options to host and manage data and software, ranging from on-site installation to cloud and enterprise.

Print and Mail Services

Take back your time by letting us print and mail your delinquent bills, vehicle and property taxes, appraisal and assessment notices, forms, and other quality print materials, which can be customized based on your needs.

Remote Backup

We work closely with you to determine and meet your networking and hardware needs. Eliminate the responsibility and stress of maintaining your server, scheduling updates, and managing downtime due to equipment failure.
